

Meet Jake

My wish is to: go on a Caribbean cruise

Age: 14

Condition: Neuroblastoma

Hometown: Loveland, OH

Siblings: Josh, 12
Jessica, 8

Jake is an outgoing, talented, and strong 14-year-old boy who loves hanging out with friends, playing video games, and playing basketball and football. When he was diagnosed for a second time with Neuroblastoma, he had to put his life on hold.

Jake was only able to enjoy his favorite activities when he was not dealing with complications from his life-threatening medical condition, which had caused him to have to undergo surgeries and multiple rounds of chemotherapy and radiation.

When Jake was visited by volunteers from the Make-A-Wish Foundation® he was certain about his wish. He asked if he could go with his family on a Caribbean cruise.

Jake's one true wish will become a reality when he travels with his family on the Royal Caribbean's *Allure of the Seas*.

This special vacation will allow them to celebrate the end of Jake's treatments. Jake is thrilled to spend time relaxing with his family and enjoying the sunny Caribbean.
